THIS BILL

This bill would require a state agency, upon request, to provide PERS with information relating to employees not enrolled in the system for purposes of assisting PERS to carry out the administration of the system. The agency would be required to provide this information in the same manner as the agency provides similar information for members of the system. Any information provided to PERS would be required to be treated as confidential by PERS and may not be divulged by a PERS employee to anyone other than the individual or their authorized representative.
